OUR LOUNGES

A Place to Sit, Connect & Unwind

For generations, sampling lounges have been part of London's social fabric: places for conversation and connection.

Our dedicated sampling lounges at Holborn and Liverpool Street carry that tradition forward, offering welcoming spaces to sample cigars purchased in-store and take time to unwind.

OUR CERTIFICATIONS

Expertise You Can Trust

Our specialist credentials reflect the standards behind everything we offer.

Davidoff

We are a certified Davidoff White Label Specialist Retailer, offering both White Band and Black Band cigar collections alongside a curated selection of Davidoff accessories.

AITS
Association of Independent Tobacco Specialists

We are a member of the Association of Independent Tobacco Specialists, the UK trade association representing and supporting specialist tobacconists and their expertise within the industry.

OUR CIGAR COLLECTION

From Around the World

Everything for the Cigar Experience

Our accessories collection brings together the essentials of cigar ownership and enjoyment, from precision cutters and premium lighters to cigar cases, humidors and ashtrays.

Practical, considered and beautifully crafted, each piece is selected to complement the ritual of enjoying, storing and travelling with cigars.

OUR HOUSE BLEND CIGARS

Our Signature Cigar Collection

Available in Natural and Maduro, the collection brings together refined, balanced blends that reflect our approach to quality, craftsmanship and the cigar experience.
